- GROOMED SKATE AND CLASSIC SKI TRAILS**
Designated skiing only. All other uses prohibited in winter.
- GROOMED CLASSIC SKI TRAIL**
Skiing only. All other uses prohibited.
- UNGROOMED CLASSIC SKI TRAIL**
Skiing only. All other uses prohibited.

WALKING

- WINTER WALKING TRAILS**
Walking, running, snowshoeing. Bikes and horses prohibited. Dogs limited to eastern trails only.

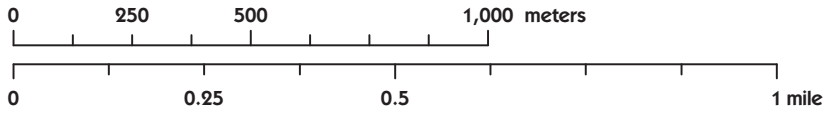

DOG-FRIENDLY

- DOG-FRIENDLY TRAILS**
Walking, running, snowshoeing and leashed dogs. Bikes and horses prohibited in winter.
- DOGS-ALLOWED AREA (WINTER)**
Leashed dogs are permitted in this area only during the winter. Dogs are prohibited in all other north campus areas in winter.

MULTIPURPOSE

- MULTIPURPOSE TRAILS**
Any muscle-powered use. No motorized use.
- TRAIL-USER PARKING**
No decal required for short-term trail use. (The west campus parking lots are open to visitors evenings and weekends.)

[K] Lettered locator signs are placed at major trail junctions.

This map shows many existing recreation trails and access roads. UAF's multi-use north campus area is home to many research projects and is a valuable area for education. Please respect and do not disturb the numerous scientific research projects, plots, markers and equipment out in the north campus lands. For more information about the north campus area and the trail system visit www.uaf.edu/mastplan/northcampus/.

Help UAF maintain and improve the trails!
